OUTDOOR COLLECTION

# DRAMATIC, CHIQUÉ BAROQUE SEDUCES SLEEK MINIMALISM

An exclusive design leads to theatrical simplicity. Le couchon was created as an inviting frivolous extra for exuberant soirées and decadent nights of unrestrained pleasure.

This pouffe pays tribute to the contrast between overwhelming, extravagant Baroque and simple, clear-out minimalism.

Le Couchon Le Grand Pouffe has a passion for bold design. Bold as in exclusive and unique. Bold as in a touch of decadence. We can cover the models with a wide variety of materials in accordance with your personal wishes.

Scandalously chic or divinely luxurious? One thing is certain: the timeless, robust Le Couchon pouffes catch the eye and leave no one indifferent.

Passionate as we are, we also welcome your ideas.

Le Couchon adores your boldness.
